THREE NEW DISTRICT SCHOOL SITES APPROVED

Good Government Committee Holds Meeting In Campbell

Citizens Urged To Attend Civil Service Hearing On Deputy Reinstatement

Residents of the Campbell, Santa Clara and San Jose communities met Tuesday night at the home of Lt. Colonel S. S. Stocking, San Tomas Road, to discuss plans for joining in the county-wide formation of a citizens' committee for good government. The group, which is an outgrowth of the controversy raging over conduct of the sheriff's office, exhibited an enthusiasm greater than hoped for, Colonel Stocking reported. "Public opinion has been aroused. We are considering the cold facts," he commented.

Similar groups have been meeting in other communities, and it is anticipated by those attending, that these will result in a county organization of 10,000 to 15,000 residents, all determined to bring good government and adequate law enforcement to the county.

Petitions for reinstatement of Deputy Sheriff Sherman Millard, without loss of pay, are receiving wide response during current circulation throughout the county, the local resident stated. These will be submitted to the County Civil Service Commission at its hearing on March 14 at 1:30 p.m., at 215 N. First St., San Jose. Stocking urged all persons interested in proper law enforcement to sign the petitions and attend the hearing. Millard was suspended by Sheriff Hornbuckle after the deputy conducted a one-man raid on county gambling houses and brought back a load of punchboards.

At a meeting of the initial good government committee last night in Mt. View plans were furthered for contacting prospective members in the Saratoga, Los Gatos, Willow Glen and Gilroy communities and other county areas. Eventually, the committee hopes to organize similar groups in every community within the county and in the unincorporated areas. Stocking said the initial group "is particularly encouraging people in the unincorporated areas to participate in the work of the organization, since it is mostly to their advantage," since law enforcement in those areas is by the sheriff's office.

All residents interested in improvement of law enforcement agencies in the county are invited to attend meetings of the various committees. Further information may be obtained by phoning Colonel Stocking at AX6-6374.

He again emphasized that people with political aspirations are not encouraged to join the committees. We want no climbers to clutter up our work."

Garbage Concern Asks Permit For Fruitdale Avenue

San Jose Sanitation Service, Inc., has filed application with the County Planning Commission for a use permit to conduct fill and cover garbage operations on property of the San Jose Brick and Tile company, on Fruitdale Avenue.

Paul W. Madsen, president of the scavenger company, said his firm has made arrangements with the brick concern to fill and cover indefinitely in pits created by clay excavation work. He said garbage dumped in the 35 to 40-foot pits would be covered by two feet of earth each afternoon.

The garbage company's dumping operations on the property were halted last fall when area residents vigorously protested against the practice. County Planning Commissioners found the concern had not asked for or received a use permit. Now the commission has under consideration a county ordinance to make fill and cover operations established procedure. The garbage firm now uses Alviso dump.

Morton Named To City-County CD Planning Board

Campbell civil defense zone commander Richard W. Morton has been named to the policy making civil defense board for the entire county and will attend an organization meeting of the new City-County Civil Defense and Disaster Planning Board on March 13.

Morton, like other zone commanders in the county, has been awaiting establishment of such a board which could coordinate civil defense work for the area and guide organization of the various zones to work as divisions of the entire county unit.

Campbell's zone commander will attend another CD meeting, next week, this to be a gathering of county school representatives and zone commanders who will work out a coordinated defense plan including the county schools. The session is slated for March 15 at Moorpark School. Morton's Zone Warden, Laurence J. Hill, will attend the meeting in a dual capacity, since he is also superintendent of the Campbell High School District.

Appointment of district and block wardens is progressing satisfactorily, Morton announced. L. E. "Bill" Means has been named assistant zone warden.

The Campbell zone officers, including assistant commander Robert Hicks, Hill, Means, Fire Captain Jack Scott, Medical Captain Dr. Paul Werthman, Auxiliary Police Captain Jack Scott, met last week with Morton to discuss civil defense policy for the community.

Henny Way It's A Potato

Mrs. E. J. Parks of 16 N. First Street, Campbell, is exhibiting to friends a specimen of hen that doesn't lay eggs, but would make a good tasting baked dish. The "hen" in question is a sweet potato which she found in a 100-pound sack of potatoes purchased at Lico's Market.

Shaped like a setting hen, the potato even grew tail feather shoots in the right place, an eye for an eye and a nubby beak. Now, the comical hen-potato is about to produce wing shoots.

Royal Bards Choir To Sing Here At Baptist Church

The "Royal Bards" of San Jose, an a cappella choir of 18 men's voices will present a sacred musical recital in the Campbell Baptist Church, Sunnyside Ave., Sunday evening at 7:30 o'clock. The "Bards" are well known for their radio work, and Youth for Christ programs in this area. The public is invited.

Sunday morning at 11 o'clock, "Unpurchasable Possessions" has been chosen at the topic, as announced by the pastor the Rev. Lyle E. Cushman. Special vocal music will be rendered.

Mrs. Luther Burbank participated in Arbor Day exercises Wednesday at Campbell High School. She planted a sequoia tree on the school grounds, using the Teddy Roosevelt shovel, shown above. The shovel was used by Theodore Roosevelt when he planted the redwood tree on Campbell Avenue near Winchester Road, across from the grammar school, on May 11, 1903. Shown with Mrs. Burbank are, center, High School District Superintendent Laurence J. Hill, and, left, Joseph V. Gomes, member of the board of trustees.

LARGE RESIDENTIAL DEVELOPMENT IN OFFING FOR QUITO - MCCOY AREA

Approval of the Quito-McCoy Avenue Campbell School building site probably will give the green light for closing of final papers on sale of three parcels, totalling 60 acres, of nearby orchard tract for residential subdivision purposes.

American Homes Development Company of Burlingame is reported to be final purchaser for 50 acres on Quito Road and McCoy Avenue, Adams Real Estate, 45 N. First Street, San Jose, is handling the real estate transactions, which are expected to result in an estimated 1000 homes for 4000 people in the rapidly growing residential area.

Individually, the parcels are: the M. J. Snyder property, 20 acres fronting on Quito Road, to be sold to American Homes Development Co. through Ray Adams; G. A. Canepa property, 30 acres on McCoy Avenue, sold to Adams and to be resold to American Homes Development Company; Walter Seagraves property, 10 acres on McCoy Avenue, bought by Adams for investment purposes. Seagraves signed a preliminary sales contract for another 10 acres for the school district site in the area.

According to report, none of the parcel sales has been completed. All title transactions are being handled by California Pacific Title Insurance Company.

Opening numbers by the band were a chorale and a march, "Activity." A trumpet quartet, composed of Jerry Lawrence, Marlene Terres, Anita Raab, and Charles Watkins, played the alma mater song, "Annie Laurie."

The band clarinet section, Donald Brown, Arthur Hill, Jerry Henley, Bobby Ramp, Calvin Vargas, Eddie Faulkner, and John Holt played a special arrangement of "Du, Du, Liegst Mir Im Herzen." It was followed by a trombone solo, "Viennese Refrain," by John Duncan. A trio of flutes, Carolyn Veith, Gay Williamson and Pamela Lawson concluded the ensemble numbers with an arrangement of the "Merry Widow Waltz."

Final numbers by the entire band were "Frere Jacques" and "Lone Scout March."

High School Pupil Hurt In Crash

Frank Howard, Jr., 16, Campbell High School student, suffered a broken arm, cuts and bruises, when his motor scooter struck a truck at Winchester Road and Rincon Avenue, March 3. He was taken to Santa Clara County Hospital.

Driver of the truck, Thomas Conway O'Neil, 29, of 9093 Villa Avenue, San Jose, was not cited. Howard is the son of Mr. and Mrs. Frank Howard Sr., 28 Charmer Avenue, Los Gatos.

\$210,000 Building Program Scheduled At Moreland School

Moreland Elementary School is advertising for bids for erection of five new units and razing and salvaging of all salvageable material of the existing original 1894 two-story school house on Payne Avenue school property.

Specifically, plans call for six new classrooms, with lavatory facilities, heating and storage; a new administration unit including principal's office, lobby, two rooms for the school nurse and supply rooms; two kindergarten rooms, a cafeteria whose building will include a music practice room and facilities for storage of musical instruments; library stack room with space for librarian's desk, and a covered bus loading zone at the southeast end of the cafeteria.

The cafeteria is to be located on site of the old school house which is to be razed. Style of the new units will conform to those recently completed, and will have stucco finish with glass details. Architects are Clark and Stromquist of Palo Alto.

Estimated cost of the total project is \$210,000. Trustees hope to have construction completed and buildings ready for occupancy during the fall term of 1951.

Bids will be opened at the office of the principal of Moreland School, corner of Payne Avenue and Saratoga-Santa Clara Road, at 8 p.m. on April 3. Plans and specifications are available at the school and at the offices of the architects in Palo Alto.

NEW MORTUARY TO BE OPENED NEXT WEEKEND

Mr. and Mrs. Gilbert H. Krug will preside at a formal open house Saturday and Sunday, March 17 and 18, inaugurating their new mortuary here, the Krug Memorial Chapel, 151 E. Campbell Avenue. There will be special services and an organ recital.

Krug has been with the Wesendorff Mortuary in Santa Cruz for the past two years. He is a graduate of the San Francisco College of Mortuary Science and served with the Army Air Force in World War II.

He and his wife purchased the mortuary property here from Winifred Grizzle last summer, taking possession two months later. Since then the large house on the site has undergone extensive remodeling and alteration.

Special dedication services have been planned for Palm Sunday.

Nine CUHS Pupils Among Winners In S.F. Art Contest

Nine Campbell High School students were listed among winners in the 1951 Northern California Scholastic Art Awards, regional student art competition.

Campbell winners are: Group One, gold key, Robert Crauld and Charles Holmes; Group II, Robert Shockley and Barbara Shockley; certificates, Maude Crain, Louise Kanamoto, Mario Sudrio, Bell Anderson, Richard Hevlin.

Entries selected for judging in the national contest, to be conducted at the Carnegie Institute in Pittsburgh, were chosen last week by a panel of 29 Bay Area professional artists and art critics. Ninety-five schools, with 1800 entries, were represented in this contest for cash awards totaling \$15,000, and 140 tuition scholarships to leading art schools.

Young artists whose work was selected in the regional competition were given 14-karat gold keys by George J. Christopher, president of the San Francisco Board of Supervisors, in a ceremony held February 24 in the Emporium auditorium.

Work Starts Sept. 15; Double Sessions Seen

Three school sites for the Campbell Elementary School District received final approval by the County Planning Commission Wednesday afternoon, and construction work is expected to begin about September 15.

The three 10-acre sites are located as follows: Cypress Avenue

south of Stevens Creek Road, now owned by Sam Kanamoto; west end of Rosemary Lane, now owned by Joseph Verone, and southeast corner of Quito Road and McCoy Avenue, now owned by Walter Seagraves. All three have been approved by the State Department of Education for construction of school buildings under the State building aid program.

Until the three schools are complete, double sessions will be necessary in existing schools of the district.

Each of the new schools will consist of 12 classrooms, with office and cafeteria. The Quito-McCoy Avenue site will serve the new San Tomas Orchards subdivision and other residential tracts to the south and east.

Two more schools, in addition to the three now planned, are to be constructed in the district at a later date.

School District Superintendent William C. Henley attended a meeting Thursday afternoon in Palo Alto at the office of the engineer of County Sanitation District Four. With realtors and sanitation engineers, Henley discussed possibilities of obtaining sewer connections on the prospective school property.

Community Service Fund Committee Distributes Funds To Agencies

Campbell Community Service Fund Committee, representing the Campbell, Cambrian, Moorpark, Moreland and San Tomas districts, met February 26 in the Campbell Union High School little theater. Copies of the committee by-laws were distributed to all members attending, and copies have been mailed to agency members.

A nominating committee was appointed, consisting of Larry Keck, chairman; Mrs. Gordon and Mr. Charles Mitchell.

Funds raised in this year's campaign were distributed as follows: library fund, \$500; Moreland School, \$165; Cambrian School, \$204.80; Campbell School, \$900; Boy Scouts, \$822.34; YMCA, \$654.94; Girl Scouts, \$829.19; Camp Fire Girls, \$1,502.16; Camp Fire Girls, local, \$884.14; Scout hall, \$100, and Visiting Nurse Association, \$500.

Letters of appreciation have been received from the Visiting Nurse Association, Camp Fire Girls, Girl Scouts, Country Woman's Club which sponsors the library, YMCA, scout hall committee and the three school milk fund committees.

Next meeting of the service fund group will be on March 26 at 8 p.m. in the high school little theater. This will be an election meeting and all members are especially urged to attend.

Air Force Reserve Group In Area Called Up

A group of Air Force Reservists from this area have been ordered into the active military service it was announced today by Colonel James D. Kemp, commanding officer of the Air Force Training Center at Hamilton Air Force Base.

The men were formerly assigned to the 313th Troop Carrier Squadron commanded by Lieutenant Colonel Edward F. Cook, 12545 Quito Road, Saratoga, Calif., who is also returning to active military service. The 313th is composed largely of Air Force Reservists from the Santa Clara Valley.

Having recently completed a five-day processing period at Hamilton Air Force Base, the reservists will report for station assignment on the 1st of April.

They are: Lt. Col. Edward F. Cook, PFC Eugene J. Meyer, Box 392, Paul Ave., Saratoga, Calif., Capt. Edward J. Wall, 567 Robin

(Continued on Page 8)

Renzel - Stern Shopping Center Contract Let

Low Jones Construction Company, San Jose, has been awarded contract for the shopping center to be developed on Quito Road at Cox Avenue by Ernest H. Renzel Jr. and Werner Stern, developers. The Jones bid was \$194,000. Renzel reported. Work was scheduled to begin this week on the shopping center which has been approved by the Defense Production Authority.

The development, for which construction of 15 shops is planned, will serve the rapidly increasing residential area in the Quito Road-Saratoga-Santa Clara Road district. Stores will include a super market, and will vary from 500 to 4000 square feet in size. These will be of frame construction with facings of redwood, brick, glass and Carmel stone.

TILSON PETITION

Meanwhile, county supervisors on Monday overruled decision of the County Planning Commission denying rezoning of the nearby Quito-Saratoga Road gore for commercial development by Lionel J. Tilson and Philip S. Sanfilippo. Supervisors referred the petition back to the planners with instructions to reconsider the request that the triangular property at the tip of El Quito Park be zoned for commercial use.

At a public hearing marked by an overflow of residents from El Quito Park, Supervisor Earl C. Campbell of the Fifth District, suggested planners be asked to prepare a set of conditions under which Tilson and Sanfilippo could be granted the requested rezoning. The motion was passed unanimously.

Tract residents supported petition of the two men for the rezoning.

Renzel, who appeared at the hearing, said his shopping center is in the center of a large residential area, not just close to two tracts.

Grammar School PTA Elects New Officers Slate

Mrs. Leonard Merritt was elected president of the Campbell Elementary School Parent-Teacher Association at its regular Tuesday, March 6 meeting.

Other officers nominated and elected were: Mrs. Willard Morell, first vice-president; Mrs. Richard Morton, second vice-president; Mrs. Renzo Orsi, third vice-president; Mrs. Frank Lima, secretary; Mrs. Royal Page, treasurer; Mrs. Clyde Homen, historian; Mrs. Raymond Davis, auditor, and Mrs. Lloyd Brown, the retiring president, parliamentarian.

Mrs. Raymond Davis announced that the books have been audited, and Mrs. Royal Page gave the historian's annual report.

Mrs. Richard Carlinio announced that the rag drive

had netted \$88.86. Winners by grade levels were: lower grades, Miss Margaret Singleton's room, first prize; Miss Alice Cramer's room, second prize; upper grades, Mr. A. Beaubien's room, first prize; Miss Carol Eason's room, second prize.

Mr. Richard Gordon gave a brief talk on the musical organizations in the grammar schools, stating there are 187 children active in at least one of the four music groups. Eighty-three children are in the beginners' classes.

Under direction of Mr. Ben Ziegler, the boys' glee club sang three selections: a Negro spiritual, "The Incey Wincy Spider" and the "Interrupted Serenade" by Mozart.

Mr. Gordon directed the school orchestra in "The Spirit of St. Louis," after which the violin section presented two numbers, a waltz and "The Top," the latter written by Harold Johnson of San Jose.

Jean Davis, a Blue Bird, led the opening pledge of allegiance. Minutes were read by Mrs. Richard Morton, and Mrs. Richard Man read the inspirational, "Mary Had a Little Lamb."

Refreshments were served in the school cafeteria by mothers of third grade pupils.

Country Woman's Club Men's Night Features Ham Dinner And Singing

A delicious ham dinner highlighted the Men's Night meeting of the Country Woman's Club on Monday evening, March 5, in the club's hall. The tables were attractively decorated with variegated ivy, camellias and daphne, and arrangements of peach blossoms and daffodils were effectively placed about the hall.

Mrs. Jessie Shelley presented a beautiful lei of red carnations from Hawaii to the president, Mrs. L. J. Hill, who wore it throughout the evening.

At the conclusion of dinner, Mrs. David Sanders, at the piano, led in community singing, after which all participated in games which had been arranged and directed by Mrs. R. J. Flagg. She was assisted by Mrs. H. F. Cousins and Mrs. Claude Block. Those in charge of the affair were: Mesdames F. A. Jacobson, chairman, Elmer H. Hoerler, B. T. Morgan, H. F. Cousins, Anthony Juras, C. P. Klassen, Claude Block, J. C. McBain, Edwin B. Parker, Percy Lovejoy, G. E. Farley, Gilbert R. Newcomb, F. A. Coombs. Assisting them as a telephone committee were: Mesdames Ray Prince, Charles E. Hancock, Ricardo Villafuerte, Jessie Shelley, Ralph Herring, Lloyd Selig.

It was announced that Dr. Dwight Bissell will be speaker for the meeting to be held March 19, his topic being "Modern Advancements in Health and Medicine."

Moorpark PTA Unit To Hear Mrs. Jecker

Election of officers for the 1951-52 term will be on the agenda of the Tuesday, March 13 meeting of the Moorpark PTA Unit-Teacher Association. The meeting, to convene at 2 p.m. in the school, will hear an address by Mrs. Winifred Jecker, of the University of California Extension Department.

Refreshments will be served.

Organist Guild To Meet Here

San Jose chapter of the American Guild of Organists will have its regular meeting on Sunday, March 11, at 3 p.m. in the First Methodist Church of Campbell. Hostesses will be Mrs. Eugene Bergeron, Mrs. Ruth Monsen and Mrs. Beulah Y. Herbold.

The program, to be presented by three musicians from Campbell and one from Palo Alto, will be as follows:

Organ—He who will suffer God to guide him—Bach.

Tenebrae Karg-Elert

Thomas Rhoads

Organ—Romance San Paroles—Joseph Bonnet.

Canzona Richard Purvis

Luella Rice

Violin—Meditation from Thais—Massenet.

Tambourin Rameau

Gilda Mazzanti

Joline Howard, accompanist.

Organ—Praeludium in G—Bach.

Wind in the Pine Trees

Joseph W. Clokey

Joline Howard

The program is open to the public. A business meeting and social hour for members will follow the program.

St. Lucy Parish Plans Card Fete

Members of St. Lucy's parish are hard at work on preparations for the St. Patrick's Day card party which will be given on Saturday, March 17, in the gymnasium of the Campbell Union High School.

All four church organizations, the Women's Club, Evening Guild, Youth Group and Men's Club, are working for success of the affair, and a large crowd is expected.

CAMPBELL REGISTER

MR. CARL B. FIELD, who left here last weekend, to fly to Choteau, Montana, to see his new grandson, was grounded Sunday night in Butte, Montana, due to serious storms in the area. Mr. Field joined his wife in Choteau, and the couple planned to motor home. The return date will depend on weather conditions. Their grandson is Carl B. Field III, born last month to Mr. and Mrs. Carl B. Field Jr. of Choteau.

Recent visitors at the home of MR. AND MRS. FRED FELLMAN were Mrs. Fellman's cousin and his family, MR. AND MRS. DELTON LEGLER and daughter, Janice, of Omaha, Nebraska.

MR. AND MRS. FORREST A. REESE plan to leave Monday evening for a vacation trip during which they expect to pay a visit to MR. AND MRS. CARL BOHNETT at Palm Springs.

MR. AND MRS. A. L. BECK of Campbell observed their sixty-fourth wedding anniversary on Tuesday, March 6, at a family reunion and open house. Those of their family, including four generations, who helped them receive their friends at the open house Tuesday afternoon were Mr. and Mrs. E. G. Gilligan of Saratoga, a son-in-law and daughter; Mr. and Mrs. Chester A. Beck of Rockford, Illinois, a son and daughter-in-law; Mr. and Mrs. William E. Beck of El Monte, a son and daughter-in-law; Mr. and Mrs. Robert Beck of Campbell, a son and daughter-in-law, and their son, Tommy; Mr. and Mrs. Vernon R. James and Bonnie James of Los Gatos, Mrs. James is the daughter of the Gilligans, and Mrs. Eugene Eaton of Illinois, mother of Mrs. Robert Beck.

MRS. P. N. FLAGG is spending two weeks vacation with friends and relatives in Portland, Seattle, Everett, Anacortes and other northern cities and towns.

The new home of MR. AND MRS. AL. ROBBINS in Bruce Heights, Los Gatos, was the scene of a surprise house warming and potluck supper party given by friends and fellow teachers from Moorpark Elementary School, where Mrs. Robbins is on the staff. Those present were Mr. and Mrs. Ori Di Benedetto, Mr. and Mrs. Melvin Fairbanks, Mr. and Mrs. Julian Nelson, Mr. and Mrs. Rex Myers, Miss Marie MacDonald, Miss Helen Prindville, Mr. and Mrs. Dale Hoyt, Mr. Bill Lorimer, Mr. and Mrs. Marcus Swengel, Mr. Ralph Ramona, Mr. and Mrs. Keen Johnson, Mrs.

Rebekahs, IOOF District Potluck Slated Here

A district potluck supper has been set for Saturday, March 24, at 6:30 p.m. in the Campbell High School cafeteria for Rebekahs, Odd Fellows and their immediate families. The dinner will be followed by an 8 o'clock program in the high school auditorium, to which friends are invited. The program will be presented by all lodges of the district.

Ada Rebekah Lodge 223 of Campbell, made plans for the gathering at its meeting March 6 in the Campbell IOOF Hall, with Noble Grand Melba Penhall presiding, assisted by Madge Wyse, vice-grand. Co-chairmen for the Ada's share of the program are Helen Rice and Bonnie Silberbauer, area Goodfellowship chairman.

STAFF NIGHT

Another activity for the local lodge is the area staff night to take place on March 31 in the San Jose civic auditorium. The event is open to all members and friends of the order.

Jessie Silberbauer announced that the Stitching Club will meet March 14 at which time final plans will be made for the 2 p.m. card party to be given in the Campbell IOOF Hall on March 28 by the club.

Chairman for the evening was Catherine Kilgallon. A St. Patrick's Day motif was employed in the hall decor. Next meeting will be on March 20 when the Stitching Club will be in charge of the program.

Lutheran Guild

Ladies Guild of the Lutheran Church of the Good Shepherd will meet at the home of Mrs. Lloyd Nelson, 2365 Richland avenue, on March 13 at 8 p.m. Co-hostesses will be Mrs. Howard Rolin and Mrs. Lloyd Nelson.

High School PTA Meetings Set

Executive board of the Campbell Union High School Parent-Teacher Association will meet Wednesday, March 14, at 1:30 p.m. in the office of Superintendent Laurance J. Hill.

There will be a general meeting of the PTA unit on the following day, Thursday, March 15, beginning with a potluck supper at 6:30 p.m. in Buc's Cove. Mrs. Dan Gould is the chairman.

Yvonne Whitfield, Mr. and Mrs. Ray Ruf, Mrs. Catherine Halliwell, Mr. and Mrs. Clifford Cassidy, Miss Pat Epperson and Miss Joanne Bush.

B. GILLET GRADUATE SJS COLLEGE

B. Gillett of Campbell is one of the March graduating class of San Jose State College. He will receive a secondary teaching credential in physical education. He is the son of Mr. and Mrs. B. Gillett of Bakersfield.

The March graduates number 147 of whom 24 will receive A. B. degrees and teaching credentials. 125 will get A. B. degrees, six will receive B. S. degrees in engineering and 42 graduate students will get teaching credentials only.

San Jose State College is on a quarter system with classes graduating in December, March and June. Its 1951 full-quarter Summer Session begins June 25 and ends August 31.

CONCERT SERIES MEMBERSHIPS TO BE SOLD

Membership campaign for the 1951-52 season of the Los Gatos Community Concert Association will open on March 19. Headquarters will be at the Morton Harvey Studio, 9 Santa Cruz Avenue, Los Gatos.

Advance membership sales have proved very satisfying according to association officers, and are due to the excellent season just concluded. The Rev. Harry Wilson

of the board of directors said "The more members we have, the more finances for more and finer performances."

Mrs. Marian Grannat will direct the membership campaign, assisted by the following supervisors, Mrs. Laura Morse, Mrs. Effie Walton and Mrs. Harold P. Miller. To this date there are 99 new members, 58 renewals and 15 student memberships.

Price of memberships are \$5 plus \$1 tax for adults, and \$2.50 plus \$0.50 tax for students. Those wishing to obtain memberships may notify any of the above committee members.

Sport Shorts

By JERRY THOMAS

SCORERS DELUXE . . . Paced by everyone's All-prep cage star, Shelley Beebe, of Fremont, the five top scoring leaders in Santa Clara Valley Athletic league play feature the shooting prowess of three forwards and two centers.

Beebe set a new Valley scoring record this season by totalling 177 points in nine games. A dead-eye with his jump shot, the Fremont forward is well remembered by Buc Coach Bert Robinson and team. All the Indian ace did was to plunk in 33 points against Campbell last month. In all, he averaged 19.6 points per game, not bad for 24-minute games.

Second in the scoring parade is lanky Ray LaBrucherie, star pivot man for the Live Oak Acorns. He netted 151 points for an average of 16.7 points a contest. It was LaBrucherie's misfortune to buck an unstoppable Beebe this year or he would have copped Valley scoring laurels, but for sure.

Campbell's own Jack Bray landed third on the ladder of sharpshooters with an average of 14.6. The springy center, one of the most nervous players ever to hit the hardwood floor, played a bang-up game on defense in addition to his scoring efforts.

Vic Marquez, Mt. View's speedy forward, averaged 13.7 points per game in amassing 124 points during league play.

Buster Burgos, All-Valley forward last season and just as capable this year, landed the fifth spot in the quintet of top point getters. The rugged Santa Clara Panther scored 116 points for a game average of 12.8.

POTENTIAL PLUS . . . While looking through the past files of Campbell high's track and fieldmen, in search of some column material, we ran across the athletic records of one Sonny Musladin, slender sophomore.

One quick glance at his achievements in freshman track led us to get a little nosier. Cinder mentor Junior Morgan believes the 5 ft.-5 in. lad can develop into one of Campbell's all-time track greats—he has the ability, attitude and physical stamina needed.

The 15-year-old speedster established two Class C school records last year while a freshman. He threw the 8-lb. shot put 44 ft.-11 in. and sprinted the 100-yard dash in 10.5 sec.

In the SCVAL finals of the C division, Sonny copped the 50-yard and 100-yard sprints in addition to running a leg on the winning relay team.

A fishing and hunting enthusiast, the Buchabe also played on the 130 football squad.

Morgan is so sold on the cinderman that he may use Musladin in A competition this spring, foregoing the usual B-squad advance delegated to sophomores and several juniors.

SHORT STOPS . . . BRUCE ABBERNATHY, former Campbell high undefeated wrestling star now pacing a powerful Cal Poly Frosh contingent, holds 51 first-place mat medals won during his high school and short college career . . . A bigger problem than bad weather may soon haunt the Buc baseball team. With the athletic expansion program under full steam, the local nine may be a team without a home field unless some remedy is attained . . . ED WEST, Campbell grid and trackman, possesses an optimistic sense of humor. Upon filling out a publicity release for newspaper consumption, the tall discus thrower filled the "any hobbies" question with the following remark, "Yes, collecting \$10 bills." The dreamer. These days, people just don't collect ten-dollar bills; they only recollect the memory of those ten spots . . . Many thanks to FRANK CABRAL and ED PENTZER, Buc athletic managers, for their assistance in tabulating the various basketball statistics throughout the recent cage season . . . Stars on Campbell's 130-squad the two statisticians may very well have someone else add up their scoring totals in a few years.

Judge Walsh Speaks To Almaden Grange

Justice of the Peace Martin S. Walsh was guest speaker at the March 7 meeting of Almaden Grange. His subject was "Wills and Probates."

Local Net For Season

Tentatively as scheduled for this year, the Campbell team, defending SCVAL title, are prepping for the season against Palo Alto high schoolers this afternoon.

Winners of 15 . . . marches last season's top-notch high school college freshmen squads. Bucs boast three ace players from the '50 season and three promising freshmen.

Contending for the No. 1 position are lettermen Tom Barton, Dave Baxter, Jim Hearl, Harold Drummond, tennis coach said yesterday that at the moment all three are playing identical ball with no one player having a given advantage.

Three other netmen vying for the top doubles team are Trent Barton, Ray Mason, and Jim Shephardson. One position remains open on the varsity squad.

Drummond said that the seventh spot probably will be determined from his three talented freshmen, Dennis Kelly, Bob Jordan, and Dave Emery.

The Buc mentor said he should have a starting squad today for the first Valley match with Los Gatos high scheduled for the latter part of the month.

SAN TOMAS MEN'S CLUB TO SPONSOR HOBBY SHOW

A hobby show will be sponsored at San Tomas School on Friday, March 16, at 7:30 p. m., by San Tomas Men's Club, as the program for its monthly social get-together.

All residents of the San Tomas area are invited to enter exhibits in the show which will include hobbies of all types, both large and small, of adults and children.

For further information phone the Men's Club president, Walter Thurber, Campbell 2789.

Moreland Manor To Seek County Street Upkeep

Petitions asking acceptance of four streets in Moreland Manor by the county are being completed this week. The petitions, which will ask county maintenance of the streets, probably will be submitted to the County Board of Supervisors, at their March 19 meeting.

Already completed are petitions for Flora Avenue and Azalea Avenue. Residents are hoping for completion of the Moreland Way and Carola Avenue petitions by the end of this week.

Eight-minute flu . . . Jumpin' Jack B. center, led a belated saw the locals score the final stanza with 18 points, on and two free throws.

Bray led the with 18 points, on and two free throws.

In the curtain-lifter Santa Clara Lumber chopped Sisemore's in no uncertain manner, 45 to 16. Guard Hayes led the onslaught with 17 points.

OPS Regulation Copies Available

Copies of Office of Prize Stabilization Regulation No. 7 have been received by the Campbell Chamber of Commerce, and local merchants may obtain copies of the regulation by calling Forest A. Reese, secretary-manager, at Campbell 3442.

The regulation covers retail sales of clothing, lamps, furniture, rugs, dry goods and household textiles.

Job's Daughters

Job's Daughters, Bethel 174 of Campbell, will have its meeting this Saturday, March 10, at 7:30 p.m. in the IOOF Hall.

Honored Queen Janet Coombs will hear reports of plans for the trip to the Dakota Masonic Home on April 8.

SPORTS

Season Wednesday Main Hurts Practice

will meet an Alumni diamond contingent Saturday afternoon.

Reluctant to pick one player that has appeared outstanding thus far during limited practice, Mission conceded the fact that veteran Duane Burrows has been shining in some sharp ball for early in the season.

A strong Palo Alto high club will meet the locals Wednesday on Buc premises. Muskulin would not venture to guess about his starting pitcher but he did list a tentative starting line-up.

Starting catcher will be either Gene Holm or Andy David; Tom Rodes or Stan Gazay, first base; Nick Farrugia, second base; Nick Rogni, shortstop; Burrows, third base; no set left fielder; Larry Rara, right field; and Johnny Rata, center field.

In all, the Campbell varsity will consist of three catchers, five pitchers, nine infielders, and five outfielders.

Reform Needed To Keep Solvent State's Unemployment Insurance System

By ROSS GRAHAM

(Editor's Note: This is the seventh of a series of ten special articles.)

If the honestly unemployed in California are to continue to have an unemployment insurance reserve fund from which to draw benefits, some reform must be made at once in the unemployment insurance contribution system. At the present rate, the sole contributors are the employers, and they are not able to contribute enough to keep the fund solvent.

Even though every employer in California, regardless of the merit rating he may enjoy because of steady employment for his workers, now pays a minimum of 1 per cent of his payroll, the fund will diminish by about \$23,000,000 this last year—1950, a year of high employment.

FUND DIMINISHING

Even if every employer under the system paid the present maximum tax of 2.7 per cent of his payroll, the fund still would diminish by \$8,000,000, it is estimated.

Employer contributions in each of the last five years, except in 1947, have been equal to the amount paid out in benefits. There was an \$118,000,000 deficit in 1949.

This situation can be met in either of three ways: employees, who now pay nothing for unemployment insurance, can again be taxed on their checks, in addition to the one per cent the employers now pay for disability, or sickness, insurance; the state can stop paying unemployment insurance.

It is probable that few of the millions of workers in California and perhaps thousands of employers, do not know that the third alternative exists.

Probably they do not know that the goose that lays the golden egg can be killed!

But it can be killed. If the unemployment insurance reserve fund shrinks enough, the present law permits the Commission to stop payments.

The definition of suitable employment needs to be re-defined.

TOO FINICKY
If there was no unemployment insurance program, with its weekly guarantee, workers would not be so finicky about the jobs they are willing to accept. Part of the racket in refusing to take jobs the worker can perform is based on highly technical and trifling objections that the job "is not in his or her line."

The Commission makes an effort to find jobs in the exact category of the worker, but too many workers refuse to take jobs they can do because they are not exactly the jobs they have had.

Too many people believe that the nation, state or city owes them a living!

They should be educated to know that unemployment insurance is not a "bonus" for having done some work and it is not "something they have paid for and are entitled to." It is designed to be "insurance."

Good citizens, and this should include all claimants for unemployment insurance, who are bona-fide members of the labor market, should favor remedial legislation. It is the only way to protect the honest and ethical worker who some day may be out of a job. If reforms are not made, when the honest worker gets out of a job, there may be no money with which to pay unemployment insurance.

An individual should be entitled to only ONE claim during one period of unemployment. This would end the "lag-quarter" racket.

CHISELERS
At present, yearly benefit payments are being made to many persons who cannot, or WILL NOT, hold down a steady job.

These chiselers work only long enough to accrue benefit rights.

The steady worker who holds a job for years, is paying the freight for the loafers. Should the steady worker finally get out of a job, he can file only on his earnings in four of the last five or six quarter-years, depending on the date the claim is filed. All of his earnings for the prior years are gone forever, so far as giving him a right to unemployment insurance is concerned.

Some employers are equally guilty of raiding the fund. These mostly are the ones who provide part-time employment and conspire with their employers to handle wage payments so that the employees can get unemployment insurance benefits to which they are not entitled.

Other employers, through carelessness, do not follow up claims by their former employees, thus permitting the perpetration of rackets.

Correcting the faults of the present unemployment insurance act is a big job, but there are a few definite corrections in the law that can be made and that will be a big step forward. Even these few corrections can result in replacing the red ink in the fund with black.

The first of these will be explained in the next installment, and the remedy will be presented in a bill to be introduced in the 1951 session of the state legislature.

NEWS OF THE

GIRL SCOUT

Marilyn Murphy Celebrates Birthday

MARILYN MURPHY, 348 Rosewood Avenue, observed her tenth birthday on March 8, at a party attended by Sally Shimmis, Janis Sumida, Sandra Klawish, Judy Scott, Susan Lawrence and Donna Jean Slagle.

Girl Scout Troop 22 of Campbell will sell Girl Scout cookies in Maderis Market on Saturday, March 10, from 10 a.m. to 4 p.m. The troop will observe anniversary of the founding of the first Girl Scout troop by Juliette Low on March 12.

SERVICE NOTES

Pfc. Denver Miranda

Pfc. Denver Miranda, who is stationed at Ikego Ammunition depot, 15 miles from Yokohama, was sitting on his bunk reading a copy of the Campbell Press through and through when he was suddenly called to the telephone. Much to his surprise the caller proved to be a home town friend, Sgt. Leonard Ellis of the 8009th Army Unit, now at Osaka Army Hospital in Japan, some 360 miles

hope together for a visit soon. Miranda, an Army reservist, was barbering for Oris Grizzle until he was called back to active duty. He is the son of Mr. and Mrs. Jack Miranda of 146 Harrison Avenue, Campbell. Ellis is working in the office at the Osaka Army Hospital. He enlisted three years ago and has served 15 months overseas.

Aboard USS St. Paul

Two Campbell men, Lt. Alfred W. Harmon, USN, of 150 East Campbell Ave., and William J. Halton, seaman, USN, son of Mr. and Mrs. James Halton of 741 El Solyo avenue, are serving aboard the heavy cruiser USS Saint Paul in the Far East. The Saint Paul spent the first

few weeks of the Korean crisis maintaining a neutrality patrol off Formosa and has since been engaged in giving fire support to United Nations ground forces.

Navy Enlistees

The U.S. Navy Recruiting Station in San Jose, announces that two Campbell residents have been accepted for enlistment in the Regular Navy. These are: Joseph Anthony Schillaci, son of Frank Schillaci, of 541 Downing Ave., and Pete Leyva Silva, son of Anthony Silva, of 216 McGlincey Lane. Both men were sent to San Diego for nine weeks of Recruit training.

WEATHER SLOWS RED CROSS DRIVE

Campbell's 1951 Red Cross Drive to raise \$4000, hampered by weather conditions and illness of workers, moved through its first week with fair success. A few reports of completed districts have been turned in, according to Drive Chairman Joseph Feit, who predicted that the drive will be stepped up this week, weather permitting.

Those who wish to give and who have not been contacted by their district workers may phone Feit at Campbell 4149.

Los Gatos High Trustees To Seek \$806,000 Issue

Tentative election date has been set for May 1 on proposal of the board of trustees of Los Gatos Union High School to call for a bond issue of \$806,000.

Main purpose of the bond issue is to meet increased enrollment problems by providing more adequate school plant facilities, since the freshmen classes for the next four years are expected to exceed by at least 100 hundred pupils the senior students in the graduating classes.

Plans call for construction of a new gymnasium, remodeling of the present gym for use by female students, more classrooms, industrial arts and homemaking classrooms, larger cafeteria and improvement of library and offices.

SYLVESTER SAYS:

You can perform miracles with wall panels. Cover those dingy cracked walls and bring out the beauty in your home. The cost is surprisingly low, so be sure and drop in and talk over your plans with us.

EASY MONTHLY PAYMENTS ARRANGED. **SOUTHERN LUMBER COMPANY** 1402 So. First Street, San Jose CY 4-1488

Biology Students Visit Hatchery In Genetics Study

Bert Burda's Campbell Hatchery, 111 S. Winchester Road, has been playing host to hordes of San Jose State College biology students during the past week. Some 370 students have been attending field classes, conducted every hour on the hour, Wednesday and Thursday, at the local hatchery.

Purpose of the field study is to give the students a view of the practical side of their study in

genetics, according to Professor Rocco Pisano of the state college biology and agriculture department. Pisano, a Campbell High School graduate, by the way, said he has been using Burda's hatchery during the past three years for poultry husbandry field trips.

When the biology classes approached the study of genetics, he again prevailed upon Burda to permit the classes to study genetics at work at the hatchery, as part of their general study of results of scientific breeding of animals and plants. "We can tell the students the theory of genetics in the classroom," said Pisano, "but the field trips give them the practical side."

CAMP FIRE GIRLS

LUTA'S GIVE SERVICE

Luta Camp Fire Girls of Campbell, under direction of Mrs. Floyd Nolf, have been giving valuable community service by caring for pre-school children of mothers attending the regular meetings of the Campbell Elementary School Parent-Teacher Association. The girls care for an average of 60 children each meeting day. Were it not for this community service donated by the Camp Fire Girls, many of the mothers would be unable to attend the meetings.

CANDY SALE

Camp Fire Girls and Blue Birds of Santa Clara County began their annual candy sale on Thursday, March 1. The proceeds will help finance improvements at Camp Wastahi and will be used to pay camperships for the girls who sell 25 or more boxes of candy during the two-week sale. The public will be offered attractive boxes selling for \$1 and containing 20 Nickel Naks put up by the Chase Candy Company in San Jose for the Camp Fire Girls. There are 4 packages of Lemon Drops, Candy Cherries, Red Hots, Candy Corn and Jelly Beans.

The candy, boxes, and printing are all local products to be sold by Santa Clara County Council of Camp Fire Girls, which is a Red Feather Service of the Community Chest.

The girls will have boxes of candy with them when they knock at local doors, so that orders will be filled immediately. Girls selling 25 boxes will receive a \$5 credit toward a week at camp; those selling 50 boxes, a \$10 credit; and for selling 75 boxes, they will have earned a full week at Wastahi, in Big Basin State Park.

RANK ADVANCEMENTS

Miss Edith Titcomb, chairman of awards of the Santa Clara County Council of Camp Fire Girls, has announced that the following Campbell area girls have completed the requirements for advancement in rank:

For second rank of Wood Gatherers: Mrs. B. C. Rappe's group in Campbell, Karen Olson, Joanne Minehart, Pauline Sprague, Nancy McElvague, Yvonne Rappe, Marilyn Perata, Joy Deach, Ellen Stepovich, Nelma Kirk.

VFW Post Collects Used Clothing

The post and auxiliary, in response to an appeal from National Commander Charles C. Ralls, have joined the drive to collect used clothing for destitute South Koreans. Collection of clothing will begin immediately.

Those Campbell residents who wish to contribute clothing for pick up are asked to mail a postcard to 1021 S. Winchester Road or 681 Emory Avenue, or phone Campbell 2778 or Campbell 3002. Clothing may be left at either of the above addresses.

South Korean civilians have exhibited a steadfast loyalty to the UN cause, according to a top ranking general recently returned from Korea. The people, whose homes have been overrun not once but repeatedly as battle lines have surged back and forth, have lost everything they possessed. Unlike the enemy, the South Koreans have refused to give information to their captors, either under forceful persuasion or actual torture. To quote the general, "Their bravery and their devotion to our cause has been one of the most courageous exhibitions of loyalty in history. These people are destitute and, at the moment, their greatest need is clothing."

At the next meeting, March 16 at 7:30 p.m., the post and auxiliary will elect new officers for the 1951 term. All members are urged to attend. The short time since institution of the post in June, 1950, has proved to be a successful period in both membership and activity. Nominees for office for the coming term desire an expression of confidence from a large attendance at the meeting.

Denis and Delbert Herschbach, both members of the Foothill 4-H Club, have found that it takes two to feed one, when the one is a frisky calf. The two brothers have cared for and fed the month-old calf since it was a day old. The calf is one of the 4-H club projects. They also have a goat, a pig, chickens, rabbits and horses. The Herschbach boys and fellow Foothill 4-H Club members are selling tickets to a benefit show March 8, 9, and 10 at the Saratoga Theater to raise funds for their project work and equipment.

—Photo by George Doman.

4-H Club Benefit To Provide Funds For Youngsters' Projects, Equipment

Saratogans are being invited to contribute to a worthwhile project and to enjoy a movie, in the bargain, by members of the Foothill 4-H Club. The youngsters, who are working to raise funds to carry on their group and to purchase project equipment, are selling tickets to a benefit show at the Saratoga Theater.

Ticket purchasers will have a choice of three evening shows or a Saturday matinee, since the benefit will cover the evenings of March 8, 9 and 10, when the features will be "The Pirate" in technicolor, and "The Boy with the Green Hair" Feature for the March 10 matinee at 12:30 and 3 p.m. will be "National Velvet." Tickets are on sale at Campbell's Market and the Saratoga Drug Store, or may be purchased from 4H members.

LEARN BY DOING

Youngsters enrolled in 4-H clubs learn by doing. They learn about farm and home operation and management by carrying through their own projects such as cooking, sewing, carpentry, gardening, poultry and rabbit raising.

Three of the local club members are Denis, Delbert and Darnell Herschbach, children of Mr. and

Mrs. Robert D. Herschbach of Cox Avenue. The Herschbachs moved here about a year and a half ago in search of a country place where their six children could acquire a practical knowledge about the raising of poultry and livestock. The oldest son is enrolled in Stanford University where he is taking a science course. The next oldest is a daughter in high school. Next in order are Denis, Delbert and Darnell, the 4-H clubbers, and there is a much younger sister who hopes one day to be a member of the 4-H club.

The children have a month-old calf, horses, a goat, a pig, chickens and rabbits. In a remarkably arranged barn, they keep the feed for the poultry and animals, and other farm equipment, and daily carry on the care and feeding of their assorted farm group.

SCOUT LEADER

Their father, who has been active in Boy Scout work for many years, is the advisor for an Explorer Scout Post in Campbell, and has won national acclaim for his work as a Boy Scout leader.

The Herschbach children and fellow 4-H Club members not only carry on their own projects, but also hear lectures by authorities in various fields which interest them.

At their regular meeting last night in the Saratoga Elementary School, O. F. Goettel of Los Gatos exhibited his prize rabbits including one which won the award of "Best Male Belgian Hare" over 2000 competing champions at the recent Kansas City show. Another exhibit was a prize Himalayan. These as well as other rabbits raised by the Los Gatos have won him a large number of citations and awards at shows throughout the country.

Goettel, who has been raising rabbits and other animals for over 50 years, has been a member of the American Rabbit and Cavy Breeders Association for 25 years. He is a licensed rabbit show judge.

Lloyd Rodoni of Saratoga is leader of the Foothill 4-H Club which meets on the first Tues-

Assemblyman Discusses Bills On Police District and Annexation; Sees Chance For Cigaret Tax Boost

Campbell residents received a visit recently from their representative in the State Assembly, Charles S. Gubser, Assemblyman from the 29th District. Gubser made his headquarters at the Campbell Press office where he greeted constituents and answered questions.

Legion Auxiliary Hears Report On Its Parade Float

Mrs. Rex Kaber, president of the Campbell American Legion Auxiliary, 596, conducted the unit's meeting on February 28 in the Campbell Country Woman's club room. Mrs. Harold Olson, float chairman for the Old Settlers' Day parade entry, gave her report. Queen of the unit's float was Mrs. Arthur Smith, Gold Star mother and a member of the auxiliary. The float was trimmed in blue and gold and American Legion poppies. Members, attired in their new uniforms, marched in the parade.

After the meeting, the auxiliary joined the post for refreshments.

Auxiliary members attended the public meeting held by Liberté Salon, the Eight and Forty, at Los Gatos Legion Memorial Building last night when Dr. Charles Janne, retiring head of the sanatorium of Santa Clara County Hospital, was guest speaker. Mrs. Kaber was in charge of transportation arrangements.

Youth Services To Be Held In Adventist Church

Special services for the youth are scheduled for this Friday evening, March 9, and next Friday evening, March 16, at the local Seventh-day Adventist church at Fourth and Rincon Streets in Campbell. Both of the services will begin at 7:30 o'clock.

This is a part of a world-wide program among Adventists known as the "Young People's Week of Prayer." The service this Friday evening, according to Mrs. Viola Powers, leader of the local society, "promises to be of unusual interest, and the theme, 'The Awakening of Elaine' has been presented in a number of youth organizations throughout California with most encouraging reports."

Mrs. Marjorie Greene will be the chief narrator of the program which is interspersed with various vocal selections, accompanied by Mrs. Ruby Hansen, church organist. Mrs. Powers said further "these meetings are not for the young people of the local church only; we are always glad to have others enjoy them with us."

Pastor J. L. Tucker, speaker for the "Quiet Hour" program which originates in Oakland, will occupy the entire hour the following Friday evening, March 16. Many in this community who have enjoyed Pastor Tucker on the radio and television will have the opportunity to meet him personally at this time.

All are cordially invited to attend both of these programs.

day of each month at 7:30 p.m. in the Saratoga school. Parents and children interested in 4-H club work are invited to attend.

He reported that he has prepared a bill which would amend the police district law by requiring an election in the proposed district, instead of the mere 50-name petition now in effect. This was an outgrowth of the controversy last year over establishment of a police district in the Campbell area.

Gubser said he has a series of bills "designed to correct the Bradley Manor annexation situation." These, he said, have been drawn up by William C. Henley, superintendent of the Campbell Elementary School District.

Asked about progress of civilian defense organization, Gubser claimed "the whole CD program is being held up because we can't get any information from the federal government. I was speaking to the Governor about the situation just the other day. The state is awaiting directives from the federal government. We have increased the appropriation for the civil defense office this year. We don't know what is expected of us simply because it is has to funnel down from the government. When we receive the information, we will pass enabling legislation and carry it through."

The assemblyman praised the present assembly membership which is "very definitely economy minded. I think this legislature, more than any other, is economy minded. One point I would like to get over is that of the billion dollar budget for this year, the legislature controls only 33%, the rest of it is all in the constitution."

Gubser said he does not believe there will be a tax increase this year. The main possibility is a 2-cent tax on cigarettes to liberalize payments of local assessments for education. The California Teachers Association has called for 50 and a half million for state aid to school districts, which could be financed through the 2-cent cigarette tax.

One other possible tax may be assessed, he said. This would be a 2-cent gasoline tax.

He added that the cigarette tax, which was almost passed by the last legislature, has a good chance of passage this session.

As for the gas tax for highways, there are three alternatives for highway improvement—"pay as you go as we have been doing, and I admit the program is lagging behind the number of autos; a gas tax increase, or passage of a billion dollar bond issue."
